

WELCOME

For the "I'm done!" kid.

50+ pages of screen-free, skill-building activities to deploy the moment a student finishes early. Grades 2–6. Reach into the folder, hand one out, no prep.

What's inside

- **10 mandala coloring pages** at 3 detail levels (simple/medium/complex)
- **10 logic puzzle sets** — mini-Sudoku + "what comes next" pattern puzzles
- **Answer keys** for every word search + logic puzzle
- **Differentiation legend** — every activity tagged easy/medium/hard so you can match it to the student

How to use
