My Year Reflection

Honest answers please. Your teacher just wants to know what stuck.

1. What's ONE thing you're proud you accomplished this year?

2. What was the HARDEST moment? How did you get through it?

3. Who in this class do you appreciate? (Be specific — what did they do?)

4. What's ONE thing you wish you'd done differently?

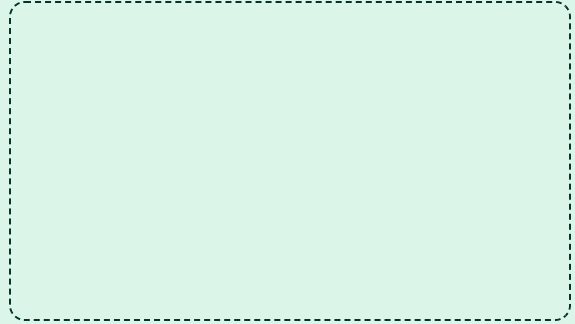

5. What did you LEARN that you didn't expect to?
